Underground Railroad Quilt Guide
Underground Railroad Quilt Codes: What We Know, What We Believe, and What Inspires Us. According to legend, a safe house along the Underground Railroad was often indicated by a quilt hanging from a clothesline or windowsill. These quilts were embedded with a kind of code, so that by reading the shapes and motifs sewn into the design, an enslaved person on the run could know the area ' s immediate dangers or even where to head next.

Underground Railroad Quilt Codes: What We Know, What We ...
Underground Railroad quilt top This is my finished quilt top, for the "underground railroad quilt", from the book by Eleanor Burns and Sue Bouchard. I took a class through the fall to make it, and really enjoyed the work. Some of it was challenging, as I chose the smaller scale, in which the blocks finish to 6 inches square.

30+ Underground Railroad Quilts ideas | underground ...
In Stitched from the Soul (1990), Gladys-Marie Fry asserted that quilts were used to communicate safe houses and other information about the Underground Railroad, which was a network through the United States and into Canada of "conductors", meeting places, and safe houses for the passage of African Americans out of slavery. The theory that quilts and songs were used to communicate information about the Underground Railroad, though is disputed among historians.

Quilts of the Underground Railroad - Wikipedia
Printable Underground Railroad Quilt Code Game This idea has been stuck in my head for awhile, ever since I heard about how quilts were used to communicate to runaway slaves on the Underground Railroad. Their patterns and blocks were a code, providing direction, signifying safety, and issuing warnings (according to some historians).

20+ Underground Railroad Quilts ideas | underground ...
Some people believe that certain classic quilt blocks were used to send messages to slaves escaping to freedom on the Underground Railroad. The quilts were hung outside of homes along the Underground Railroad to let the slaves know what was safe or unsafe, and to communicate further instructions or directions.

Underground Railroad Quilt Guide Really Good Stuff
This book is actually a pattern book to teach quilters how to create Underground Railroad quilts. However, I used it as a visual guide on what these quilts may have looked like, and how conductors used them to direct fugitive slaves to freedom road. The history of the Underground Railroad discussed throughout the book is very brief.

Underground Railroad Sampler by Eleanor Burns
The Underground Railroad was a network of secret routes and safe houses established in the United States during the early to mid-19th century, and used by enslaved African-Americans to escape into free states and Canada. The scheme was assisted by abolitionists and others sympathetic to the cause of the escapees. Not literally but metaphorically a railroad, the enslaved who risked escape and ...

An inspiring tale of creativity and determination on the Underground Railroad from Coretta Scott King Award winner James Ransome and acclaimed author Deborah Hopkinson. Clara, a slave and seamstress on Home Plantation, dreams of freedom—not just for herself, but for her family and friends. When she overhears a conversation about the Underground Railroad, she has a flash of inspiration. Using scraps of cloth from her work in the Big House and scraps of information gathered from other slaves, she fashions a map that the master would never even recognize. . . . From the award-winning author-illustrator team of Deborah Hopkinson and James Ransome, this fictional tale of the Underground Railroad continues to inspire young readers 25 years after its original publication. "Inspiring." —The New York Times "A triumph of the human spirit." —Publishers Weekly, starred review

" A renowned quilt historian . . . present[s] what she considers to be an accurate assessment of slavery, quilts and the Underground Railroad. " —Time Recall an unforgettable phase of our nation ' s history with America ' s leading quilt historian. Barbara Brackman presents the most current research on the role of quilts during the time of slavery, emancipation, and the Underground Railroad. Nine quilt projects combine historic blocks with Barbara ' s own designs. Did quilts really lead the way to freedom? What role did quilts play? Barbara explores the stories surrounding the Underground Railroad. Read about the people who were there! First-person accounts, newspaper and military records, and surviving quilts all add clues. YOU decide how to interpret the stories and history, fabrication and facts as you learn about this fascinating time in history. Excellent resource for elementary through high school learners—curriculum included! " Quilters interested in African American slavery and quilting will find many historically accurate, teachable moments within these pages. The first-personal accounts by slaves of their quilt making, quilt parties, and stolen quilts make emotional reading. A must-have book for your quilting library! " —Kyra Hicks, author of Black Threads " Brackman skillfully assembles accurate historical evidence along with beautiful quilt examples infused with slave-era symbolism. " —Dr. Carolyn Mazloomi, author of Threads of Faith " Many of persons featured or quoted are women with a connection to the ' peculiar institution ' : slaves, escaped slaves, freed slaves, plantation owners, abolitionists, and so forth . . . teaches history through quilting and offers fun projects for history-minded quilters . . . the stories offer good starting points for one ' s own research and the projects are beautiful. " —Beth ' s Bobbins

While her father leads her toward Canada and away from the plantation where they have been slaves, a young girl thinks of the quilt her mother used to teach her a code that will help guide them to freedom.

For use in schools and libraries only. Great Aunt Lucy tells a story of her days as a slave, when she and her brother, Albert, learned the quilt code to help direct other slaves and, eventually, Albert himself, to freedom in the North.

Features fifty quilt blocks that commemorate the one hundred-fiftieth anniversary of the Civil War, featuring period photographs and first-person accounts for each.

When night falls, and all is quiet, a slave girl starts to run. She follows the moon into the woods, leading her loved ones away from their master. There's only one place where he might not find them, and it's under the quilt of night. Guided by the stars, they head north in the direction of freedom. At last, the girl sees a quilt -- the quilt with a center square made from deep blue fabric -- and knows it's a signal from friends on the Underground Railroad, welcoming her into their home. And so she steps forward... Deborah Hopkinson and James E. Ransome team up again, in this stunning companion to Sweet Clara and the Freedom Quilt. Ransome's rich, powerful illustrations elicit all the emotion and suspense of Hopkinson's words, in a story that's sure to make your heart race and leave you breathless.

Perfect for beginners, this quilting book features simple illustrations and easy-to-follow steps that teach you how to make up to 30 beautiful quilts in a short amount of time! A comprehensive guide for both first-time quilters and those looking for a refresher course, Urban Quilting teaches you everything you need to know about this timeless craft. While working for the Underground Railroad and helped escaped slaves to safety, William Still kept meticulous records. These notes originally were used to help reconnect families and document history, but Still later used these records to create The Underground Railroad, telling the stories of the disenfranchised. Said to have helped nearly eight-hundred slaves, Still depicts their stories of heartbreak, narrow escapes, and oppression. Not only was Still a conductor of the Underground Railroad, but also was the child of a woman who braved the unknown, fought for her own freedom, and escaped life as a slave. The Underground Railroad uses first-hand accounts of the harsh conditions of slavery, and the lengths slaves had to go to for freedom. The Underground Railroad by William Still is a work of historical nonfiction meant for all. The collection of vivid, personal stories serves as an excellent education of antebellum America directly from one of its witnesses. The underground railroad was among the most selfless acts of activism, fueled by the kindness and compassion by Americans who wanted the best for their peers. Still ' s honest and raw gives readers direct access to the experiences of those who used the system and reclaimed their freedom. Witness the close encounters, joyful reunions, and incredible bravery of the slaves and activists that defended the American right of freedom for all. Brought back into the light and revived with easy-to-read print, and an eye-catching design, William Still ' sThe Underground Railroad is a reminder of both a heinous injustice of America ' s past and the triumph of the activism and bravery that overcame it.

This richly illustrated book offers a glimpse into the lives and creativity of African American quilters during the era of slavery. Originally published in 1989, Stitched from the Soul was the first book to examine the history of quilting in the enslaved community and to place slave-made quilts into historical and cultural context. It remains a beautiful and moving tribute to an African American tradition. Undertaking a national search to locate slave-crafted textiles, Gladys-Marie Fry uncovered a treasure trove of pieces. The 123 color and black and white photographs featured here highlight many of the finest and most interesting examples of the quilts, woven coverlets, counterpanes, rag rugs, and crocheted artifacts attributed to slave women and men. In a new preface, Fry reflects on the inspiration behind her original research--the desire to learn more about her enslaved great-great-grandmother, a skilled seamstress---and on the deep and often emotional chords the book has struck among readers bonded by an interest in African American artistry.

With Harriet Tubman as her guide, Cassie retraces the steps escaping slaves took on the Underground Railroad in order to reunite with her younger brother.
