A behind-the-scenes look at Lexus's surprising twenty-year success story—in a revised new edition In the 1980s, German brands BMW and Mercedes-Benz dominated the luxury car market and had little reason to fear competition from Japan. But in 1989, Toyota entered the market with the Lexus LS 400, a car that could compete with the Germans in every category but price—it was US\$30,000 cheaper. Within two years, Lexus had overtaken Mercedes-Benz in the United States and made a stunning success of Toyota's brave foray into the global luxury market. Lexus: The Relentless Pursuit reveals why Toyota decided to take on the German automakers and how the new brand won praise and success for its unparalleled quality, unforgettable advertising, and unprecedented customer service. From the first boardroom planning session to Lexus's entry into the mega-luxury supercar market, this is the complete and compelling story of one of the world's most admired brands. Includes a new Foreword by legendary designer Erwin Lui, an Afterword with updates since the first edition, and a new Coda by leading Japanese automotive journalist Hisao Inoue Covers the racetrack triumph—and tragedy—behind the new US\$375,000 Lexus LFA supercar Offers important business lessons for brand managers and executives For car enthusiasts, business leaders, and anyone

In a bold bid to enter the prestigious luxury car market, Toyota launched its Lexus marque in 1989 with the LS400. Impeccable attention to detail, advanced engineering, sourcing of first quality materials from around the world and meticulous build quality ensured that cars wearing the Lexus badge could compete directly with the established products of Mercedes-Benz, BMW and Jaguar. Motoring journalists around the world were quick to confirm the inherent quality of the Lexus, allowing the new marque to become established amazingly quickly and to make serious inroads into the sales territories of other prestige brands. This book covers the complete year-by-year development of the Lexus line, including the equivalent models in Japan. Written by an acknowledged Toyota expert with the full co-operation of the company and its many subsidiaries worldwide, this is the definitive history of the marque.

Canada's automotive "Dr. Phil" says there's never been a better time to buy a new car or truck. For deals on wheels, 2013 will be a "perfect storm." There's never been a better time to buy a new car or truck, thanks to a stronger Canadian dollar, a worldwide recession driving prices downward, and a more competitive Japanese auto industry that's still reeling from a series of natural disasters. In addition to lower prices and more choices, 2013 car
