" A Seat at the Table " is inspired by Congresswoman Shirley Chisholm ' s words and work toward creating a more inclusive democracy.

Marc Miller, author of the best-selling sales book "Selling Is Dead," delivers another critical tool for connecting with decision-makers to make more and bigger sales. "A Seat at the Table" offers a new sales approach: stop selling and start helping customers win, win bigger, and win more often. Customers only care about one thing: value. And the only proven way to increase sales productivity is to deliver new and different forms of value. Salespeople must become experts in their customers' businesses and help them generate better results. Readers will learn that evolving from "salespeople" to "businesspeople who sell" will earn them a seat at the table--the place reserved for those select people who guide the strategic direction of an enterprise."A Seat at the Table" gives practical advice on how to better connect with decision-makers. When they can do this, salespeople will be in a position to create demand for their products and services, protect their core business, and close more sales.

It ' s not enough to say that the CIO is the geek who wears the suit, IT leaders must, now more than ever, take a seat at the table. In A Seat at the Table, CIO Mark Schwartz explores the role of IT leadership as it is now and opens the door to reveal IT leadership as it should be—an integral part of the value creation engine. With wit and an easy style, Schwartz reveals that the only way to become an Agile IT leader is to be courageous—to throw off the attitude and assumptions that have kept CIOs from taking their rightful seat at the table. CIOs, step on up, your seat at the table is waiting for you.

The presence of women in Congress is at an all-time high -- approximately one of every five members is female -- and record numbers of women are running for public office for the 2018 midterms. At the same time, Congress is more polarized than ever, and little research exists on how women in Congress view their experiences and contributions to American politics today. Drawing on personal interviews with over three-quarters of the women serving in the 114th Congress (2015-17), the authors analyze how these women navigate today's stark partisan divisions, and whether they feel effective in their jobs. Through first-person perspectives, A Seat at the Table looks at what motivates these women's legislative priorities and behavior, details the ways in which women experience service within a male-dominated institution, and highlights why it matters that women sit in the nation's federal legislative chambers. It describes the strategies women employ to overcome any challenges they confront as well as the opportunities available to them. The book examines how gender interacts with political party, race and ethnicity, seniority, chamber, and district characteristics to shape women's representational influence and behavior, finding that party and race/ethnicity are the two most complicating factors to a singular narrative of women's congressional representation. While congresswomen's perspectives, experiences, and influence are neither uniform nor interchangeable, they strongly believe their presence matters in myriad ways, affecting congressional culture, priorities, processes, debates, and outcomes.

"A Seat At The Table is a valuable and insightful book about a too long overlooked topic - the right of Native American people to have their sacred sites and practices honored and protected. Let's hope it gets read far and wide, enough to bring about a real shift in policy and consciousness. " —Bonnie Raitt "Phil Cousineau has created a fine companion book to accompany the important film he and Gary Rhine have made in defense of the religious traditions of Native Americans. [Native Americans] are recognized the world over as keepers of a vital piece of the Creator's original orders, and yet they are regarded as little more than squatters at home. This book features impressive interviews, beautiful illustrations, and gives a voice to the voiceless. " —Peter Coyote

"Do you really understand what business value is? Information technology can and should deliver business value. But the Agile literature has paid scant attention to what business value means—and how to know whether or not you are delivering it. This problem becomes ever more critical as you push value delivery toward autonomous teams and away from requirements " tossed over the wall " by business stakeholders. An empowered team needs to understand its goal! Playful and thought-provoking, The Art of Business Value explores what business value means, why it matters, and how it should affect your software development and delivery practices. More than any other IT delivery approach, DevOps (and Agile thinking in general) makes business value a central concern. This book examines the role of business value in software and makes a compelling case for why a clear understanding of business value will change the way you deliver software. This book will make you think deeply about not only what it means to deliver value but also the relationship of the IT organization to the rest of the enterprise. It will give you the language to discuss value with the business, methods to cut through bureaucracy and strategies for incorporating Agile teams and culture into the enterprise. Most of all, this book will startle you into new ways of thinking about the cutting-edge of Agile practice and where it may lead."

Lust • Tradition • Love • Faith • Self • Family Elisha walks through Brooklyn with side curls tucked behind his ears and an oversized black hat on his head. depiction of a deeply loving father and a no less loving son desperate to find his own very different path without shattering the connection to his family, to his father." Rabbi Joseph Telushkin, Author of Jewish Literacy and a Jewish Code of Ethics "Halberstam takes you deeply into the Chassidic community with a critical eye but a loving, understanding heart. This tender, compassionate coming-of-age story brims over with wisdom from the Jewish tradition. It's worth reading for the Chassidic tales alone." David Grubin, Documentary Filmmaker, The Jewish Americans, LBJ "Joshua Halberstam knows the soul of Chassidic Brooklyn better than anyone without payes and a black hat. He explores that world with a unique combination of skepticism and compassion. A Seat at the Table is a lovely and deeply humane book." Melvin Jules Bukiet, Author of Strange Fire and Neurotica "In this novel of fathers and sons, faith and doubt, Joshua Halberstam illuminates a world rich with religious tradition and Chassidic stories, and he proves himself to be a master storyteller in his own right. A Seat at the Table is unusually wise, genuine, and always affecting." Tova Mirvis, author of The Ladies Auxiliary and The Outside World

Publishers Weekly bestseller Discover how to break free from the chains of negative thinking and experience true freedom from unhealthy thoughts and emotions. The Enemy is constantly seeking to fill your mind with destructive and harmful thoughts—whether of fear, worry, insecurity, anxiety, temptation, envy. . . . Stop the spiral of shame, temptation, and insecurity. Restore peace and rest in your life. Embrace the true purpose behind your journey through challenging circumstances. Break free from the endless cycle of destructive thinking. You can find freedom from the war inside your mind—if you allow Jesus, the Good Shepherd, to lead the battle. Learn how to find encouragement, hope, and strength no matter what valleys you face. It ' s time to reject the lies and listen to the truth.

From microaggressions to the wage gap, The Memo empowers women of color with actionable advice on challenges and offers a clear path to success. Most business books provide a one-size-fits-all approach to career advice that overlooks the unique barriers that women of color face. In The Memo, Minda Harts offers a much-needed career guide tailored specifically for women of color. Drawing on knowledge gained from her past career as a fundraising consultant to top colleges across the country, Harts now brings her powerhouse entrepreneurial experience as CEO of The Memo to the page. With wit and candor, she acknowledges "ugly truths" that keep women of color from having a seat at the table in corporate America. Providing straight talk on how to navigate networking, office politics, and money, while showing how to make real change to the system, The Memo offers support and long-overdue advice on how women of color can succeed in their careers.

The world of work is constantly changing and there is not much we can do about it. There are new careers in demand for which there is a shortage of skills; while some careers are becoming redundant and there is an oversupply of skills. In most careers, it is no longer business as usual. A lasting career requires adaptation and mental toughness. The game plan of only showing up at work to collect a paycheck each month and leave it to the company to build your career is not enough. This book shares global trends on the future of work, the tools to create a career path and how to execute it. There are currently five generations at the workplace, this book will give you a strategic advantage on how to communicate and lead such diverse cultures. Finding your seat at the requires that you play to your strengths and build on the skills required to lead and inspire change once you are at the table.

What defines a City? Is it its buildings, public spaces or people? 'No Seat At The Table' is a fictional graphic novel about the local and global influences of gentrification on citizens in Turkish and Dutch cities. The book highlights four neighbourhoods where this phenomenon is occurring: Piyalepa?a in Istanbul, Ismetpasa in Ankara, De Kolenkitbuurt in Amsterdam, and Lombok in Utrecht. Each story is told from the perspective of pigeons and inspired by real life experiences of residential displacement in Turkey and the Netherlands. The stories critically inquire about gentrification, the housing crisis and the current interpretations of setting priorities and affordability in urban planning. By doing so, it aims to facilitate the conversation on inclusive and sustainable cities for all. 00The book is initiated and written by Minem Sezgin, and Illustrated by Rajab Eryigit, Bob Mollema, Erhan Muratoglu, Jasmijn de Nood.
