Against the Tide of Years takes place approximately 10 years after the events of the first book. The leadership of the Republic of Nantucket has invested a great deal of time and effort into building up a substantial military force, both a deep-water navy and a Marine Corps, but the bulk of Nantucket's population are more interested in commerce and exploration than in bringing the renegade Walker to justice.

The second in the Nantucket series, Against the Tide of years is set eight years after "the event", as the time displacement has come to be called. In that time, the Islanders have fought wars, stabilized the island as an industrial and political powerhouse, and are now living at a much more subsistence level than in the twentieth century.

In the years since the Event, the Republic of Nantucket has done its best to recreate the better ideas of the modern age. But the evils of its time resurface in the person of William Walker, renegade Coast Guard officer, who is busy building an empire for himself based on conquest by technology.

Against the Tide of Years (Island in the Sea of Time ...

Island in the Sea of Time is a fascinating look at a town pulled into a new world and how they change that world. Against the Tide of Years is, in some ways, a perfect sequel and in other ways a clunky follow-up. So here's what I liked: I liked how there was more of a focus on trading and peaceful relations between the Islanders and everyone else.

Against the Tide of Years continues the adventures of the Nantucket residents who have been transported through time to the Bronze Age. In the years since their arrival, the fledging Republic of Nantucket has striven to better the primitive world in which they now exist. Their prime concerns are establishing a constitution and handling the waves of immigrants from the British Isles.

AGAINST THE TIDE OF YEARS, the second book in S.M. Stirling's Nantucket trilogy, is a riveting, delightful, novel of war on a global scale, of people in love, and of great deeds and high adventure. It is also an exploration of the nature of sacrifice, the concepts of duty and honor, and each person's responsibility for each other.

The second book, Against the Tide of Years, sees Nantucket facing a threat from Tartessos, a kingdom in Spain that has been rapidly "modernizing" under the rule of one of Walker's friends. Contact is made with the kingdoms of Mycenae and Babylon, and an expedition prepares to follow in the footsteps of Lewis and Clark.
