We All Fall Down: Stories of Plague and Resilience, nine historically rich tales I wasn ' t always a fan of historical short stories. The format seemed too concise to support the world-building and character depth necessary for the genre. But the more I read, the more I grew to appreciate them.

3.5 stars All Fall Down is my first Ally Carter book and I must say, it's an enjoyable read. The age level is a little lower than I usually read, I would classify this book as a middle grade for ages 12-16. It is the perfect type of book for transitioning young readers out of the chapter books and into the Young Adult/Teen genre.

All Fall Down (Embassy Row, #1) by Ally Carter

'All Fall Down' is a tale of a family that are about to be ripped apart at the seams because of their oldest son. Warren Beatty plays Berry-Berry, a drifter if there ever was one. Going from town to town, from job to job, and usually winding up in jail, but this is all unknown to his family, who see him as a hero, mainly because he got away from town mostly.

We all Fall Down - Stories of plague and resistance Being fascinated by both medieval history and beyond in general and the bubonic plague in particular, I was delighted to come across this anthology. Familiarity with the work of a couple of the contributing authors added to my anticipation.
