Today, American CEOs are paid 278 times the typical worker. Not surprisingly, American workers are far less unionized than workers in other industrialized economies. Only 10.2 percent of all workers in America belong to a union, compared with more than 26% in Canada, 65% in Sweden, and 23% in Britain.

The name America is derived from that of the Italian navigator Amerigo Vespucci, one of the earliest European explorers of the New World. The term America originally was applied only to South America, but the designation soon was applied to the entire landmass. Because Mexico and Central America share an Iberian heritage with nearly all of South America, this entire region frequently is grouped ...
