The meaning of the Western terms religion or belief, influenced by Christian thoughts, changes in other European and non-European languages from “something that is owed to the transcendence” to “law/doctrine” and “eternal, never-ending structure.” As a result, the term religion is more objective than the rather subjective term belief. Also, the concepts of belief—characterized as individual, personal belief, or conviction— and faith—characterized as universal belief—can ...

In our multi-religious and multicultural society, crafting a great research paper on religion is a challenging task. Indeed, this challenge starts from the first stage of preparing your paper: identifying a good religious research paper topic.

~~Top 50 Religious Research Paper Topics~~

Writing a research paper about religion in our multicultural and multireligious society might be a difficult task. Sometimes it is hard not to offend any religious feelings, especially while writing about the history of religion (where lots of wars and conflicts are usually depicted as religious). The most important thing for the author before presenting their paper to the audience is respect to other religions or, if they write not about their own, to the subject of their research.
