As the years of her marriage dragged by, Charlotte began to question her idea of love as she suffered continual embarrassment at her husband's simpering and fawning manners. When Mr. Collins dies, finally relieving everyone of his tedious conversation, she must work feverishly to secure her income and home. She gives no further thought to the possibility of love until her flighty sister Maria begs her to

Lovers—an inspired debut novel set in Austen's world. Charlotte Collins, nee Lucas, is the respectable wife of Hunsford's vicar, and sees to her duties by rote: keeping house, caring for their adorable daughter, visiting parishioners, and patiently tolerating the lectures of her awkward husband and his condescending patroness, Lady Catherine de Bourgh. Intelligent, pragmatic, and anxious to escape the shame of spinsterhood, Charlotte chose this life, an inevitable one so socially acceptable that its quietness threatens to overwhelm her. Then she makes the acquaintance of Mr.

She once said she was not romantic, but how true is that now after almost one year of marriage? Mr Collins is submissive in the extreme to his patroness, and his constant simpering, fawning and deference to the overbearing and manipulative Lady Catherine de Bourgh is sure to try the patience of a saint, or at least of Charlotte. As Charlotte becomes part of Hunsford society, she discovers she is not

When Charles Bingley and Mr. Darcy made proposals of marriage to the Bennet sisters at the end of Jane Austen's Pride and Prejudice, Caroline Bingley was both distressed by her brother's choice of bride and humiliated by Mr. Darcy's rejection of her. And she made her objections known. Now banished from her brother's household, Caroline must return to her mother's home in the north of England until she can make

Desperate though Caroline may be to return to polite company, she absolutely refuses to apologize to Miss Elizabeth Bennet, and instead, she seeks an alternative route back into society in the form of Mr. William Charlton, heir to a barony. Through her connections with Mr. Charlton's sister Lavinia, Caroline begins to infiltrate the household in the hopes of securing the gentleman and his title for herself. However, she must also contend with her vexing emotions regarding Mr. Patrick Rushton, a once-wealthy landowner, and the meddlesome opinions of Mrs. Rosemary

This witty sequel to Jane Austen's *Pride and Prejudice* follows the fate of Georgiana Darcy, Mr. Darcy's younger sister, who must choose between two suitors, a well-placed navy captain and a brash young architect. Masterfully adapted to Austen's original nineteenth-century style, *Presumption* brings back to life the book's most memorable characters, the Bennets, Darcys, Collins, and de Bourghs. Lucas left her childhood home in Hertfordshire for Kent, where she is set to live out her life as the parson's wife, in an endless procession of dinners at Rosings Park, household chores, correspondence, and minding her poultry. But Mrs Collins carries with her a secret, a peculiar preference, which is destined to turn all her carefully laid plans on their head. Lucas is a queer romance, a mock-epistolary novel, and a retelling and continuation of Jane Austen's Pride and Prejudice, teeming with Regency references and Sturm und Drang. It is an homage to English literature--and a brazen,
