Free Color Chart and Colored Pencil Video Tutorial. It didn't take me long after I started using colored pencils to realize that the colors you saw on the paper were not always the colors of the outside of the pencil itself. I knew if I was going to keep myself from getting frustrated I would need a way to tell at a glance

A color chart is a piece of paper or card that has color swatches or samples of the colors that are part of a set of coloring media: colored pencils, pens, markers, etc. The chart is often arranged in a grid with one square per color.

Where To Download Color

Each color usually has an identifier, usually a name or a number or both, printed near to the color sample.
