He knew better than to lust after the hired help. But Ramsey Westmoreland's new cook was just so delectable...it was enough to make the Denver rancher rethink his rules. When temptation got the best of him, he discovered Chloe Burton was just as hot in the bedroom as she was in the kitchen. Though their affair was growing steamier by the minute, Ramsey couldn't help but question Chloe's true motives. And when he discovered her ultimate betrayal, he was set to satisfy himself with cold showers. Until he realized his fatal mistake: never underestimate the power of the human heart, especially a Westmoreland's.

An easy to follow guide to restoring a classic Mazda MX-5/Miata - the world's favourite small sports car. The comprehensive text is fully supported by high-resolution photographs, guiding you through stripping the car down, cutting out and repairing rust, restoration of interiors, replacing the hood, refurbishing the underside of the car including the floor pan, suspension, brakes, undersealing, reassembly, replacing the cam belt and waterpump, replacing engine seals and gaskets to cure common leaks. It also provides a guide to handy upgrades as you go along. The book provides personal account and experiences of the author who visited devasthanam. They should worke interest and devision among the reades and reverance of the deity. The book deals with eternal questions like Is there God? If there is, how does He look? Have you seen Him? Or the seekers of truth who ask, How much of faith one should repose in God to earn His Support for Human endeavors? This book, perhaps has answers for such question.

A former police officer awakens after a night of sex with a strange woman to find that one of his kidneys has been removed, an event that sends him into a drugged-out underworld.

Creating a sensation when announced in 1989 the MX-5 was more than a simple re-creation, it was more of a re-interpretation bringing the earlier concept of a two-seater right up to date. Initially the only comparisons made were to older cars such as the MGB and it was some time before the likes of Honda, Fiat and BMW came along; now true comparisons could be made. These contemporary articles put the car into context and give a good balance of opinion. American, British and Australian experts compare the Miata and MX-5 R against: Toyota MR2; Lotus Elan and Elise; Mercury Capri XR2; Porsche Boxster, 911 and 944; Honda CRX and Civic Del Sol Si; Nissan NX2000 and 300ZS; MGF and MGB; Mazda RX-7; Mitsubishi 3000GT VR-4; Corvette; Alfa Romeo Spider; BMW Z3; Fiat Barchetta; Mustang Cobra, and others. Includes new model reports and updates, performance data and specs, plus advice on buying a used MX-5.
