The main objective of *À votre tour!* is to advance students to a level at which they can comfortably express themselves on a variety of French and francophone topics. Avoiding the excessive rigor of most intermediate texts, *À votre tour!* immerses students in authentic language and cultural contexts to achieve three key objectives: to build and reinforce oral and written communicative skills, to develop reading skills and cultural awareness, and to forge a strong linguistic base. New! *Tête à tête* communicative activities require one student to use communicative skills to elicit unknown details from another student in order to complete a task, with basic vocabulary and grammar structures recycled to reinforce previously learned material. New! Integrated video correlates to the *Français Pratique* section of each unit and to corresponding video activities provided in the Student Activities Manual. New! Updated cultural material highlights recent cultural trends, such as prices expressed in euros, French phone numbers with appropriate area codes; reflects the current political realities; and offers many entry points for further development of cultural awareness, grammar, and lexical points. A broad introduction to French and Francophone cultures provides authentic language and cultural contexts without an intense grammar curriculum—adapted for students who might take French as a minor, rather than a major. Accessible presentation enables students with basic conversational and grammar skills to achieve success through careful pacing, cyclical review and re-entry of structures and vocabulary, and engaging conversational material. Solid grammar review builds a framework by first covering basic structures and expressions, then adding more advanced concepts to expand students' linguistic abilities.

FROM A BESTSELLING AUTHOR! Who exactly was the historical Jesus Christ? Do you really know the Biblical Jesus and what the Bible says about him: both the human nature of Jesus and the divine nature of Christ? The miracles and wonders attributed to Christ? The role of Jesus as Savior and prophet? Although millions claim to know Jesus or to have found the Lord, exactly what do they know or what have they found? This book includes dozens of questions and answers from the Bible that may (or may not) challenge just how much you really know about Jesus of Nazareth, Jesus the Messiah, the King of Israel, Son of God, Savior, Christ. What does it all mean? Does Scripture explain any of these titles given to Jesus? As a firm believer myself, this is not an agnostic book! Rather, it's a chance to really explore what we all know (or claim to know) about the Jesus we believe in. It may make you think, it might startle or confuse you at times, it might even make you learn more than you ever knew before.
