Rated 5 out of 5 by CPA John from Replacement for 12 year old Electrolux Microwave After 12 years of dedicated, trouble free service, we replaced our Electrolux over the range microwave with a new Electrolux microwave with bottom controls. The bottom controls add tremendous convenience. My wife and I were able to do the replacement ourselves using the easy to understand installation instructions.

Rated 1 out of 5 by frustrated from Plastic handle Bought this microwave about a year and a half ago, and the handle has broken three times. Customer service tries every time to say that the handle is “cosmetic” and not covered by warranty. Takes about a month and a half to be fixed each time between when someone comes to verify that it’s broken, and then parts are ordered, and then it ...

Rated 4 out of 5 by BellaCiao from Good performer This Electrolux combi microwave was recently recommended by Choice, and I can see why. It’s a bit big, black and clunky, and the door requires a strong push to open, but it does a good job in all functions - and it’s a VERY reasonable price.

This is not your regular cookbook. Food styling has become a skill many want to master, but don’t know how. Popular food blogger and maverick baker Shivesh Bhatta is here to help. Twenty-two-year-old Shivesh enjoys a massive following on his blog and Instagram. Brands love him and so do people. In Bake with Shivesh, the ace baker reveals foolproof tips on food styling that can be easily followed at home, in your kitchen, with tools you already own. He also talks about his favourite styling techniques, and what works or doesn’t on different social media platforms. This is a book for everyone looking to elevate the way they present food, to help boost their blogs and businesses, and to make food look as good as it tastes.

All the secrets to baking revealed in this scrumptious cookbook.

Sets the baseline for the science behind an emerging technology Authoritative guide to skills needed to implement ground source heat pump schemes Only book using SI units to adequately focus on the geological aspects of ground source heat.

In Politics as a Science, two of the world’s leading authorities on Comparative Politics, Philippe C. Schmitter and Marc Blecher, provide a lively introduction to the concepts and framework to study and analyze politics. Written with dexterity, concision and clarity, this short text makes no claim to being scientific. It contains no disprovable hypotheses, no original collection of evidence and no search for patterns of association. Instead, Schmitter and Blecher keep the text broadly conceptual and theoretical to convey their vision of the sprawling subject of politics. They map the process in which researchers try to specify the goal of the trip, some of the landmarks likely to be encountered en route and the boundaries that will circumscribe the effort. Examples, implications and elaborations are included in footnotes throughout the book. Politics as a Science is an ideal introduction for anyone interested in, or studying, comparative politics. “The Open Access version of this book, available at <http://www.taylorfrancis.com/doi/view/10.4324/9781003032144>, has been made available under a Creative Commons Attribution-Non Commercial-No Derivatives 4.0 license.”

This fully revised and updated edition of The Combination Microwave Cook has over 100 recipes - from simple snacks, vegetable, vegetarian, meat, fish and poultry dishes, to sweet and savoury bakes and pastries - all developed to make full use of these ultra modern appliances. Combine the well-known advantages of microwaves with the traditional crisp, golden finish which makes dishes so appetising. Imagine crisp, flaky pastry, golden-brown gratin and baked pasta dishes, main dishes, cakes and desserts, all cooked (and browned) in a fraction of the conventional cooking time.

Poignant, touching, and lively, this memoir of a woman who loses her mother and creates a new life for herself in Paris will speak to anyone who has lost a parent or reinvented themselves. Lisa Anselmo wrapped her entire life around her mother, a strong woman who was a defining force in her daughter’s life—maybe too defining. When her mother dies from breast cancer, Lisa realizes she hadn’t built a life of her own, and struggles to find her purpose. Who is she without her mother—and her mother’s expectations? Desperate for answers, she reaches for a lifeline in the form of an apartment in Paris, refusing to play it safe for the first time. What starts out as a lurching act of survival sets Lisa on a course that reshapes her life in ways she never could have imagined. But how can you imagine a life bigger than anything you’ve ever known? In the vein of Eat, Pray, Love and Wild, My (Part-time) Paris Life a story is for anyone who’s ever felt lost or hopeless, but still holds out hope of something more. This candid memoir explores one woman’s search for peace and meaning, and how the ups and downs of expat life in Paris taught her to let go of fear, find self-worth, and create real, lasting happiness.
