governed by a set of rules and thereby are not punishable by law. Legal issues have a set of rules on which they are based and are punishable by law if those rules are not adhered by. • What is legal can be unethical. For example, the firing of an employee by a company is not illegal but may be unethical.

**Ethical and legal issues -  
Library, The University of  
York**

Ethics and legal implications are very closely related with each other. Ethics deal with the standards of conduct and ethical judgement whereas legal issues deal with nursing practise which includes licensing, nurse practice acts and standards of care (Chaloner 2007). According to Criminal Code (Palliative Care) Amendment Bill 2003,
