ISO 19600, Compliance management systems - Guidelines, is a compliance standard introduced by the

International Organization for

Standardisation in April 2014. As its

title suggests, it operates as an

advisory standard and is not used for accreditation or certification. This

standard was developed by ISO

Project Committee ISO/PC 271, which

was chaired by Martin Tolar. In recent

times technical committee ISO/TC

309 has been created and the
