You don't need to have been born under a lucky star, or with incredible wealth, or with terrific contacts and connections, or even special skills...but what you do need to succeed in any of your life goals is self-discipline. Unfortunately, most people give in to the two worst enemies of success; they take the path of least resistance (in other words, they're lazy) and/or they want immediate gratification; they don't consider the long-term consequences of the actions they take today. No Excuses! shows you how you can achieve success in all three major areas of your life; 1. Your personal goals.2. Your business and money goals.3. Your overall happiness. Each of the 21 chapters in this book shows you how to be more disciplined in one aspect of your life, with end-of-chapter exercises to help you apply the "no excuses" approach to your own life. With these guidelines, you can learn how to be more successful in everything you do - instead of wistfully envying others who you think are just "luckier" than you. A little self-discipline goes a long way...so stop making excuses and read this book!

They point to key questions people have wrestled with for centuries, including: What does the Bible tell us about the future? How much can we understand about biblical prophecy and its application in our lives? What signs and signals will precede the end of everything as we know it? Which of those signs and signals have already come to pass, which are we experiencing now, and which are still to come? In this landmark collection, bestselling author Dr. David Jeremiah offers answers to these questions and much more. Drawing from decades of experience as one of the world ’ s most-respected Bible teachers, Dr. Jeremiah has updated content from previously published works in addition to writing new material on a wide variety of subjects. The result is a truly epic and authoritative guide to biblical prophecy—a must-have resource for Christians seeking to navigate the uncertainties of the present and embrace God ’ s promises for the future.
