Librarians Manual

This manual was written to be used by Librarians, Academic Liaisons and others enrolled in the Mendelej Certification Program for Librarians. New users of Mendelej may consult this document throughout the certification program as required. This manual is intended to provide an overview of Mendelej's features, but should not be regarded as exhaustive.

Librarian Manual: How to merge two author profiles. Each author name is unique and has its own profile. Sometimes various data sources use slightly different spellings of an author name (e.g. JK Rowling vs J.K. Rowling vs Joanne Kathleen Rowling). To merge two author profiles, edit the data for the profile that should be discarded,
