~~Pop ...~~

This October saw the release of a book I have been buried away writing and editing for the last three years: a memoir about my teenage years spent obsessing over pop stars, titled *Freak Like Me: Confessions of a 90s pop groupie*. It feels

# Download Ebook Like Me

like an amazing achievement to have got to this point and have people reading the book that I put so much into during the last few years, and I am so proud of myself, but it wasn't as simple as I naively thought it might be, back at the start of the project.
