The Longest Road: Finding Peace with the Past is a powerful, compelling and true story. Starting with the trauma of growing up poor in a dysfunctional family caught in extreme denial, Lyttle captivates her readers with tales of profound fear, pain and tragic betrayal. It is the story of a young, single mother's courageous and often desperate struggle to survive and raise a son in a life filled with hardship. It is the story of how she suffers unspeakable trauma when her son is finally reunited with the real birth father and how it all goes terribly wrong. Finally, it is a story of a mother's love for her son and her journey down the longest road to find peace and reconcile with the past. The book covers many compelling, complex issues that many of us, in some form, deal with--alienation, birthright, reunification, family of origin issues and abandonment. Shocking, real, moving and completely captivating--it is a story you will not want to put down.

In 2000, he brought out "Democracy Reaches the Kids!" This garnered the only "Extraordinary" US Visa ever issued in education. He'd found that western education itself was responsible for the loss of first nation languages & culture, worldwide -- one every day. His discovery could instead guarantee them all! To preserve these treasures has become the central mission of George's outgoing years.

The ratification of the Good Friday Agreement in 1998 was the culmination of a lengthy and contentious peace process that involved the efforts of a committed team of political actors. In 2001, Marianne Elliott brought together a collection of essays by many of these pivotal figures in The Long Road to

Peace in Northern Ireland, an invaluable resource for students, scholars, and politicians. Now Elliott, one of the most prominent chroniclers of Irish history, presents a fully updated edition with new essays commissioned to explore the events of the past five years. A period that saw successes such as the decommissioning of the Provisional IRA but also a rise in drug trafficking and organized crime, as a generation of men who have done nothing other than serve as paramilitaries are now finding their skills most valued as criminals. With contributions from U.S. Senator George J. Mitchell, Sir David Goodall, Jan Egeland, Lord Owen, and Peter Mandelsohn, the second edition of *The Long Road to Peace in Northern Ireland* is an illuminating record of the ongoing peace process—and its consequences—told by the people directly involved in its evolution.

In this book, scientists who are pre-eminent in their fields focus on the crucial role of science in the transition away from a culture of war towards the construction of peace based on a capacity to anticipate and prevent destructive conflicts. The subject matter, wide-ranging and of great concern to people everywhere, includes the progress and prospects for a nuclear-weapon-free world; non-nuclear threats to peace and security; the building of legitimate world institutions; conflict resolution and the construction of peace; the local and global environmental dimensions of peace; the health hazards of nuclear chemical and biological weapons; and the interactions between health problems and poverty. Contents: Chiapas: Politics or War (R Benitez-Manaut) Nuclear Disarmament: Is This as Good as It Gets? (M M Bosch) The Future of Nuclear Weaponry and our Civilization (F Calogero) Nuclear-Weapon-Free Zones and Non-Proliferation (O M Sukovic) Technology and the Prevention of Genocide (D Andersen & A Moden) Asian Financial Crisis and China (Z-Q Xie) Ethnic Identity and Border Disputes in the Balkans (N Behar) Water Security in Southern Africa (N Dippenaar) Poverty, Disease and War (J Avery) Poverty, Public Health and Peace: A Southern African Perspective (R A Mogotlane) and other papers. Readership: Graduate students in social sciences. Keywords:

To those who have searched but not found, looked but not seen, wondered but not discovered, thirst but never quenched, this I say unto you: search no more, quest no more, look no further for you have finally found the path to inner peace where your heart and soul have finally come to rest and indulge in the life that you were meant to have here on earth. The path to inner peace awaits your decision.

The now-this moment-is the true source of happiness and peace and the key to living a fulfilled and meaningful life. *Embracing the Now* is a collection of essays whose common thread is the now. Full of clear insight and wisdom, it explains how the mind keeps you from being in the now, how to move into the now and stay there, and what living from there is like. It also explains how to overcome stumbling blocks to being in the now, such as fears, doubts, judgments, misunderstandings, distrust of life, desires, and other conditioned ideas that are behind human suffering.

A revealing memoir by the Israeli leader who almost made peace with the Palestinians Written almost entirely from inside a prison cell, *Searching for Peace* is the compelling memoir of former Israeli prime minister Ehud Olmert. The child of parents who were members of the Irgun, the paramilitary group that fought for the establishment of Israel, Olmert became the youngest member of the Israeli Knesset in 1973, serving in the right-wing Likud party. He rose quickly in the party, serving in national government before being elected mayor of Jerusalem in 1993. As mayor he overcame decades of municipal malaise, inertia, and waves of terror attacks to bring huge improvements in the city's infrastructure, education, and welfare. Although a child of the Israeli right, it was during his mayoralty that he realized the inevitability of compromise and the need to divide the city in any future peace agreement with the Palestinians. Olmert rejoined the national government in 2003 as a top aide to then-Prime Minister Ariel Sharon. After Sharon suffered a debilitating stroke

in 2006, Olmert took over as acting prime minister, then led Sharon's new centrist party Kadima to victory in elections. Heading a coalition government, Olmert led Israel through the war with Lebanon in July 2006 and approved the dramatic strike on Syria's nuclear reactor the following year. From late 2006 through 2008, Olmert engaged in some three dozen negotiations with Palestinian leader Mahmoud Abbas. The talks, Olmert says, came "within a hair's breadth" of reaching a comprehensive peace deal. At the same time, Olmert was fighting allegations that he had illegally accepted large sums of money from a well-connected American businessman. He was acquitted of all but a minor charge against him, but in 2014 he was convicted on charges of taking \$15,000 in bribes involving the construction of an industrial park while he served as Minister of Industry and Trade. He served 16 months in prison, using his time to write these memoirs. *Searching for Peace* offers a riveting political story and an unparalleled window into Israeli history, peacemaking, politics, U.S.-Israel relations, and the future of the Middle East.

Throughout his life Henri Nouwen stressed the connection between intimacy with Christ and solidarity with a wounded world. From his early support for the civil rights movement, through his engagement in the cause of peace, to his life with the handicapped members of the L'Arche community, Nouwen was always immersed with the social as well as the spiritual dimensions of the gospel. In gathering together Nouwen's many writings on peace and social justice, editor John Dear amplifies this crucial element of Nouwen's message about the call of Christian discipleship. At the same time, Nouwen calls on activists to be peacemakers in the fullest sense: to root their witness in prayer, joy, and a spirit of love. For all those who have read and treasured the life and work of Henri Nouwen, *The Road to Peace* is an inspiration, and a challenge to live our Christian lives with both love and action. Book jacket.

*Kabbalah For Inner Peace* offers a contemporary approach to the 4,000 year-old spiritual tradition called Visionary Kabbalah. This practice weaves the wisdom of Kabbalah with short mental imagery exercises. Through this path, we discover new perspectives, create change, and open ourselves to Spirit. With more than 60 exercises, the book takes us through a typical day and addresses the challenges that we frequently face, from centering ourselves in the morning to alleviating insomnia at night. In between, Dr. Gerald Epstein teaches us to conquer the inner terrorist of anxiety and self-doubt, master our financial worries, cope with physical pain, and deal with past trauma.

A sensitive approach to overcoming loss! Behind every tragedy and loss lies a tranquil reality just waiting to be found. *Finding Peace When Your Heart Is in Pieces* shows you how to use the Four Paths of Transformation--acceptance, inspiration, release, and compassion--to move past your suffering and discover inner peace. Author Paul Coleman, PsyD, guides you through every chapter with powerful exercises that help you evaluate your current emotional state and how the hardship has impacted your life. With his guidance and insight, you will learn how to transform your pain into positive thinking, find perspective through charitable acts, and hone in on what you need to do to step into a brighter future. Whether mourning the loss of a romance, health, a loved one, or coping with any of life's upheavals, *Finding Peace When Your Heart Is in Pieces* will help you overcome your pain and finally find peace within yourself.
