Love Anger Madness A Haitian Trilogy Marie Vieux Chauvet

Presents three novellas that represent a shocking reflection on how families and artists suffer under the harsh government restrictions of Haiti's current oppressive regime.

The only English translation of " a masterpiece " (The Nation)—a stunning trilogy of novellas about the soul-crushing cost of life under a violent Haitian dictatorship, featuring an introduction by Edwidge Danticat Originally published in 1968, Love, Anger, Madness virtually disappeared from circulation until its republication in France in 2005. Set in the barely fictionalized Haiti of " Papa Doc " Duvalier ' s repressive rule, Marie Vieux-Chauvet ' s writing was so powerful and so incendiary that she was forced to flee to the United States. Yet Love, Anger, Madness endures. Claire, the narrator of Love, is the eldest of three daughters who surrenders her dreams of marriage to run the household after her parents die. Insecure about her dark skin, she fantasizes about her middle sister ' s French husband, while he has an affair with the youngest sister, setting in motion a complicated family dynamic that echoes the growing chaos outside their home. In Anger, the police terrorize a middle-class family by threatening to seize their land. The father insinuates that their only hope of salvation lies with an unspeakable act—his daughter Rose must prostitute herself—which leads to all-consuming guilt, shame, and rage. And finally, Madness paints a terrifying portrait of a Haitian village that has been ravaged by militants. Ren é , a young poet, is trapped in his family ' s house for days with no food and becomes obsessed with the souls of the dead that surround him.

Presents three novellas that represent a shocking reflection on how families and artists suffer under the harsh government restrictions of Haiti's current oppressive regime.

Presents three novellas that represent a shocking reflection on how families and artists suffer under the harsh government restrictions of Haiti's current oppressive regime.

Dance on the Volcano tells the story of two sisters growing up during the Haitian Revolution in a culture that swings heavily between decadence and poverty, sensuality and depravity. One sister, because of her singing ability, is able to enter into the white colonial society otherwise generally off limits to people of color. Closely examining a society sagging under the white supremacy of the French colonist rulers, Dance on the Volcano is one of only novels to closely depict the seeds and fruition of the Haitian Revolution, tracking an elaborate hierarchy of skin color and class through the experiences of two young women. It is a story about hatred and fear, love and loss, and the complex tensions between colonizer and colonized, masterfully translated by Kaiama L. Glover.

Winner of the prestigious Prix Carbet--an award won by such distinguished authors as Maryse Cond é , Jamaica Kincaid, and Rapha è l Confiant-- Memory at Bay is now available in an English translation that brings to life this powerful novel by one of Haiti ' s most vital authors, É velyne Trouillot. Trouillot introduces us to a bedridden widow of a notorious dictator (in effect, a portrait of Papa Doc Duvalier) and the young é migr é who attends to her needs but who harbors a secret--the bitter loss she feels for her mother, a victim of the dictator ' s atrocities. The story that unfolds is a deftly plotted psychological drama in which the two women in turn relive their radically contrasting accounts of the dictator ' s regime. Partly a retelling of Haiti ' s nightmarish history under Duvalier, and partly an exploration of the power of memory, Trouillot ' s novel takes a suspenseful turn when the aide contemplates murdering the old widow. Memory at Bay was praised by the Prix Carbet committee for the way it treats the enigmas of destiny and for a pairing of characters whose voices bring the narrative to the edge of the ineffable. CARAF Books: Caribbean and African Literature Translated from French

A novel on the exploitation of the poor in the Caribbean. The hero is a Haitian peasant who becomes politicized while in jail. Forced to work as a sugar-cane cutter in the Dominican Republic, he participates in a strike which ends in a massacre.

This outstanding Haitian novel tells of Manuel's struggle to keep his little community from starvation during drought.

"Savage Seasons recounts a woman's efforts to free her husband, a journalist arrested by the brutal regime of the Haitian government in the 1960s"--

At the age of twelve, Sophie Caco is sent from her impoverished village of Croix-des-Rosets to New York, to be reunited with a mother she barely remembers. There she discovers secrets that no child should ever know, and a legacy of shame that can be healed only when she returns to Haiti--to the women who first reared her. What ensues is a passionate journey through a landscape charged with the supernatural and scarred by political violence, in a novel that bears witness to the traditions, suffering, and wisdom of an entire people.
