The Protege was part of a lineage of Mazda small cars going back to the late 70's Mazda GLC (Great Little Car), the Mazda 323 and continuing through to the Mazda 3 of today. By and large, Mazda was known for making solid, sporty cars that held their own against competition from other Japanese car makers.

Book of 2016 Set against the stark and surreal landscape of New Mexico, *Land of Enchantment* is a coming-of-age memoir about young love, obsession, and loss, and how a person can imprint a place in your mind forever. When Leigh Stein received a call from an unknown number in July 2011, she let it go to voice mail, assuming it would be her ex-boyfriend Jason. Instead, the call was from his brother: Jason had been killed in a motorcycle accident. He was twenty-three years old. She had seen him alive just a few weeks earlier. Leigh first met Jason at an audition for a tragic play. He was nineteen and troubled and intensely magnetic, a dead ringer for James Dean. Leigh was twenty-two and living at home with her parents, trying to figure out what to do with her young adult life. Within months, they had fallen in love and moved to New Mexico, the “Land of Enchantment,” a place neither of them had ever been. But what was supposed to be a romantic adventure quickly turned sinister, as Jason’s behavior went from playful and spontaneous to controlling and erratic, eventually escalating to violence. Now New Mexico was marked by isolation and the anxiety of how to leave a man she both loved and feared. Even once Leigh moved on to New York, throwing herself into her work, Jason and their time together haunted her. *Land of Enchantment* lyrically explores the heartbreaking complexity of why the person hurting you the most can be impossible to leave. With searing honesty and cutting humor, Leigh wrestles with what made her fall in love with someone so destructive and how to grieve a man who wasn’t always good to her.

"From the editors of Old cars weekly"--Cover.

Lists manufacturers' suggested retail and dealer invoice prices for all models, foreign and domestic, along with information on standard and optional equipment, specifications and reviews, and buying and leasing advice. Original.
