Reign of Error: The Hoax of the Privatization Movement and ... None of these anecdotes would surprise Diane Ravitch. In her new book, Reign of Error, she brilliantly describes each of these distortions of the relationships that connect teachers, students, parents, and teacher educators. Her own history as a professional educator adds weight to her critique: She received appointments to public office from Presidents George H.W. Bush and Bill Clinton, and she was a member of the

in which our schools are being driven into the ground by the Billionaire Boys club of Gates, Broad, Walton, Murdoch, and Bloomberg, and other ideologues and opportunists eager to join in. We must win this battle for the soul of our education system before ...

Reign of Error: The Hoax of the Privatization Movement and ...

In Reign of Error, Diane Ravitch argues that the crisis in American education is not a crisis of academic achievement but a concerted effort to destroy public schools in this country. She makes clear that, contrary to the claims being made, public school test scores and graduation rates are the highest they 've ever been, and dropout rates are at their lowest point.

From one of the foremost authorities on education in the United States, former U.S. assistant secretary of education, “ whistle-blower extraordinaire ” (The Wall Street Journal), author of the best-selling *The Death and Life of the Great American School System* (“ Important and riveting ” —Library Journal), *The Language Police* (“ Impassioned . . . Fiercely argued . . . Every bit as alarming as it is illuminating ” —The New York Times), and other notable books on education history and policy—an incisive, comprehensive look at today ’ s American school system that argues against those who claim it

Download File PDF Reign Of Error The Hoax Of The

is broken and beyond repair, an impassioned but reasoned call to stop the privatization movement that is draining students and funding from our public schools. In *Reign of Error*, Diane Ravitch argues that the crisis in American education is not a crisis of academic achievement but a concerted effort to destroy public schools in this country. She makes clear that, contrary to the claims being made, public school test scores and graduation rates are the highest they've ever been, and dropout rates are at their lowest point. She argues that federal programs such as George W. Bush's No Child Left Behind and Barack Obama's Race to the Top set unreasonable targets for American students, punish schools, and result in teachers being fired if their students underperform, unfairly

Download File PDF Reign Of Error The Hoax Of The

branding those educators as failures. She warns that major foundations, individual billionaires, and Wall Street hedge fund managers are encouraging the privatization of public education, some for idealistic reasons, others for profit. Many who work with equity funds are eyeing public education as an emerging market for investors. Reign of Error begins where The Death and Life of the Great American School System left off, providing a deeper argument against privatization and for public education, and in a chapter-by-chapter breakdown, putting forth a plan for what can be done to preserve and improve it. She makes clear what is right about U.S. education, how policy makers are failing to address the root causes of educational failure, and how we can fix it. For Ravitch,

Download File PDF Reign Of Error The Hoax Of The

public school education is about knowledge, about learning, about developing character, and about creating citizens for our society. It's about helping to inspire independent thinkers, not just honing job skills or preparing people for college. Public school education is essential to our democracy, and its aim, since the founding of this country, has been to educate citizens who will help carry democracy into the future.

A former U.S. Assistant Secretary of Education and author of *The Death and Life of the Great American School System* presents an incisive look at today's American public schools to argue that the system is still functioning and is being unduly compromised by the rising privatization movement.

Americas Public Schools
By Diane Ravitch 2014 98
48

From one of the foremost authorities on education in the United States, *Slaying Goliath* is an impassioned, inspiring look at the ways in which parents, teachers, and activists are successfully fighting back to defeat the forces that are trying to privatize America ' s public schools. Diane Ravitch writes of a true grassroots movement sweeping the country, from cities and towns across America, a movement dedicated to protecting public schools from those who are funding privatization and who believe that America ' s schools should be run like businesses and that children should be treated like customers or products. *Slaying Goliath* is about the power of

Download File PDF Reign Of Error The Hoax Of The

democracy, about the dangers of plutocracy, and about the potential of ordinary people—armed like David with only a slingshot of ideas, energy, and dedication—to prevail against those who are trying to divert funding away from our historic system of democratically governed, nonsectarian public schools. Among the lessons learned from the global pandemic of 2020 is the importance of our public schools and their teachers and the fact that distance learning can never replace human interaction, the personal connection between teachers and students.

Discusses how school choice, misapplied standards of accountability, the No Child Left Behind mandate, and the use of a corporate model have all led to a

Download File PDF Reign Of Error The Hoax Of The

decline in public education and presents arguments for a return to strong neighborhood schools and quality teaching.

By Diane Ravitch 2014 08

If you ' re an actress or a coed just trying to do a man-size job, a yes-man who turns a deaf ear to some sob sister, an heiress aboard her yacht, or a bookworm enjoying a boy ' s night out, Diane Ravitch ' s internationally acclaimed *The Language Police* has bad news for you: Erase those words from your vocabulary! Textbook publishers and state education agencies have sought to root out racist, sexist, and elitist language in classroom and library materials. But according to Diane Ravitch, a leading historian of education, what began with the best of intentions has veered toward bizarre extremes. At a time

Download File PDF Reign Of Error The Hoax Of The

when we celebrate and encourage diversity, young readers are fed bowdlerized texts, devoid of the references that give these works their meaning and vitality. With forceful arguments and sensible solutions for rescuing American education from the pressure groups that have made classrooms bland and uninspiring, *The Language Police* offers a powerful corrective to a cultural scandal.

Explores the last hundred years of reform programs designed radically to improve American schools, arguing that reformers often lose sight of the primary goal of the educational system.

Argues that as public schools became integral to the maintenance of

Download File PDF Reign Of Error The Hoax Of The

American lifestyles, they increasingly reflected the primary tensions between democratic rhetoric and the reality of a class-divided system

By Diane Ravitch 2014 08

The pressure is on at schools across America. In recent years, reforms such as No Child Left Behind have created a new vision of education that emphasizes provable results, uniformity, and greater attention for floundering students. Schools are expected to behave more like businesses and judged almost solely on the bottom line: test scores. To see if this world is producing better students, Linda Perlstein immersed herself in a suburban Maryland elementary school. The resulting portrait -- detailed, human, and truly thought-provoking -- is marked by the same narrative gifts and expertise

Download File PDF Reign Of Error The Hoax Of The

that made Not Much Just Chillin' so illuminating. The school, once deemed a failure, is now held up as an example of reform done right.

Perlstein explores the rewards and costs of that transformation, through the experiences of the people who lived it. Nine-year-olds meditate to activate their brains before exams and kindergartners write paragraphs. Teachers attempt to address diverse needs at the same time they are expected to follow daily scripts, and feel compelled to focus on topics that will be tested at the expense of those that won't. The principal attempts to keep it all together, in the face of immense challenges. Perlstein provides the first detailed view of how new education policies are modified by human realities. Tested will be talked about, thought about,

Download File PDF Reign Of Error The Hoax Of The

written about -- and will almost certainly play an important role in the national debate as the federal education law come up for renewal.
