Sand Castle Kings

In Sandcastle Kings, Rich Wilkerson, Jr. (star of the new Oxygen series Rich in Faith) uses four powerful stories from the seventh chapter of Luke to explain why spiritual fulfillment cannot be found in ourselves, in other people, in material things, or even in religion. By studying the stories of the centurion ' s faith, the resurrection of the widow ' s son, Jesus ' message about John the Baptist, and the anointing by the woman with the alabaster jar, you will be able to face your doubts ...

Sand Castle (film) - Wikipedia

"The Sandkings" is a 1995 Canadian-American television film based on the 1979 novella Sandkings by George R. R. Martin, and the first episode of the revived 1960s science-fiction television series The Outer Limits. It premiered on 26 March 1995 on Showtime and features three generations of the Bridges acting family: Beau, his father Lloyd, and son Dylan. Kim Coates and Helen Shaver also star. The episode garnered five Gemini Award nominations. One of these was in the category of Best Performance

The Sandkings - Wikipedia

In Sandcastle Kings, Rich Wilkerson combines personal anecdotes with a study of Luke 7. Wilkerson akins the practice of building hopes, dreams, and lifestyle on worldly values much like the sandcastles he and his brother would construct on the beaches of Florida, in that they were beautiful, perhaps for the moment, yet they fell down when the waves hit.

Five Kind Kings. This would be even more fun and engaging for the children if you had pictures or flannel pieces to place on a board while telling it! 5 kind kings sitting in the castle. 1 went out to find the queen. Oh, What a Hassle! 4 kind kings eating at the table.

--

The world seems to have figured out the formula for manufacturing material success, but when it comes to finding true, lasting happiness, we are as lost as ever. We yearn for more, or less, or something that ' s just different from what we have right now.Deep down, we know there must be satisfaction for our longing. We just don ' t know where to find it. In Sandcastle Kings, Rich Wilkerson, Jr. uses four powerful stories from the seventh chapter of Luke to explain why spiritual fulfillment cannot be found in ourselves, in other people, in material things, or even in religion. By studying the stories of the centurion ' s faith, the resurrection of the widow ' s son, Jesus ' message about John the Baptist, and the anointing by the woman with the alabaster jar, you will be able to face your doubts and insecurities and overcome your anxiety, discontentment, and depression. Wilkerson wants you to understand that the only answer for your spiritual bankruptcy is Jesus and that until you turn to him you will never experience the lasting peace and joy you so desperately crave.

Pastor Rich Wilkerson explains why all the material success in the world won t make you happy or fill the void in your heart. He takes you step-by-step through Luke 7 to reveal why the only answer for spiritual bankruptcy is Jesus."

Step inside a sumptuous sandcastle packed with amazing and amusing visual details for a beach day that's fit for royalty. A young girl loves building sandcastles. But not just any sandcastles. She builds one so big and grand and lovely that all the royals of the world come to visit. There are banquets and balls and tournaments, a greenhouse for cacti, a staircase for skateboarding, and ice cream around the clock. Everyone seems to be having fun, until they discover sand in the royal almond strudel . . . and the fig milk bath . . . and everywhere! With a keen eye for the absurd, author-illustrator Einat Tsarfati invites readers beyond the crocodile moat to explore the intricately detailed, increasingly wild festivities that echo the arc of a day at the beach, from euphoria to gritty discomfort. The diverse cast of regal guests, from a Rapunzel-esque princess in pj's and unicorn slippers to a pair of knights playing badminton, is just as inspired. A visual treat of a tale, Sandcastle opens the doors to a world by the sea where wit and imagination reign.

"Early morning on a perfect summer's day, people begin to descend on an idyllic, secluded beach. Amongst their number, a family, a young couple, a refugee and some American tourists. Its fine white sand is fringed with rock pools filled with crystal clear water. The beach is sheltered from prying eyes by green-fringed cliffs that soar around the cove. But this utopia keeps a dark secret. A woman's body is found floating in the waters, which brings these thirteen strangers together to try and unravel the riddle of the sands and escape the beach alive in this tense, fantastical mystery" -- from publisher's web site.

Pastor and writer Rich Wilkerson Jr. shines a spotlight on every Christian ' s calling to reach the world, seek the lost, and save sinners with Jesus ' scandalous message of the gospel of grace. In Friend of Sinners, we learn: that by following his example, we can have the same clear conviction and compassion for the lost that he did, that His gospel of scandalous grace cannot be overestimated, and How to embrace the truth that we all need Jesus equally. The Bible calls Jesus a friend of sinners. What does that mean? In Friend of Sinners, Rich Wilkerson Jr. shows readers the profound implications of the reality that Jesus calls us " friends, not because of who we are or what we have done, but because of who he is. While he was on earth, Jesus knew that people needed to feel like they belong before they would want to behave. He understood that the power within him was greater than the darkness around him, so he loved fearlessly.

A modern, summery spin on the classic The House That Jack Built, in which Lola's day at the beach leads to new friends and a giant sandcastle. Lola is building her dream sandcastle--one with a tall, tall tower and sea glass that sends signals to mermaids. But the beach is crowded, and soon enough, a boy steps on her castle. Not to worry! Lola recruits him to build a wall. When a toddler with a bulldozer starts digging too close the walls, Lola decides he can be in charge of digging the moat. As the sandcastle grows, so does Lola's friendly group of helpers. There's only one thing that Lola doesn't want near the sandcastle: a wave! Will the new friends be able to salvage the mermaids' castle when their hard work is washed away?

George wants to build a sand castle that would turn any monster green, but when he meets the strangest creature he has ever seen, the night takes an unexpected turn.

Paradigms and Sand Castles demonstrates the relationship between thoughtful research design and the collection of persuasive evidence in support of theory. It teaches the craft of research through interesting and carefully selected examples from the field of comparative development studies. Barbara Geddes is Professor of Political Science at the University of California, Los Angeles.

After a day of watching his strongest sandcastles washed away by a sea that refuses to obey him, Jack wishes for a real castle in which he is king, and that night his wishes come true.

Welcome to the Sand Castle! Open the doors of this castle-shaped lift-the-flap book to find out what ocean critters are living inside! On every beach, where a sand castle lies, there is a real kingdom below that sits in disguise. From a royal king crab, to a majestic whale, to a beautiful mermaid, little ones will love lifting the die-cut flaps on each spread to reveal the ocean creatures living inside each castle. Shaped like a sand castle filled with fun underwater details on each page, this lift-the-flap board book is the perfect summer read-aloud.
