From award-winning author Weeks ("Pie") and debut author Varadarajan comes this story of two boys--one white, one Indian American--who gain strength from each other from afar as they struggle to navigate middle school, family, and friendships.

A new friend could be sitting right next to you. Save Me a Seat joins the Scholastic Gold line, which features award-winning and beloved novels. Includes exclusive bonus content!Joe and Ravi might be from very different places, but they're both stuck in the same place: SCHOOL.Joe's lived in the same town all his life, and was doing just fine until his best friends moved away and left him on his own. Ravi's family just moved to America from India, and he's finding it pretty hard to figure out where he fits in.Joe and Ravi don't think they have anything in common -- but soon enough they have a common enemy (the biggest bully in their class) and a common mission: to take control of their lives over the course of a single crazy week.

When Alice's Aunt Polly, the Pie Queen of Ipswitch, passes away, she takes with her the secret to her world-famous pie-crust recipe. Or does she? In her will, Polly leaves the recipe to her extraordinarily fat, remarkably disagreeable cat, Lardo . . . and then leaves Lardo in the care of Alice. Suddenly, the whole town is wondering how you leave a recipe to a cat. Everyone wants to be the next big pie-contest winner, and it's making them pie-crazy. It's up to Alice and her friend Charlie to put the pieces together and discover the not-so-secret recipe for happiness: Friendship. Family. And the pleasure of donig something for the right reason. With Pie, acclaimed author Sarah Weeks has baked up a sweet and satisfying delight, as inviting as warm pie on a cold day. You'll enjoy every last bite.

In this stand-alone follow-up to Sarah Weeks's beloved So B. It, a girl who the world might see as weird finds her footing and stands her ground.

For a girl like Melody and a dog like Mo, life can be both sticky and sweet. Melody has lived in Royal, Indiana, for as long as she can remember. It's been just her and her father, and she's been okay with that. But then she overhears him calling someone Honey -- and suddenly it feels like everyone in Royal has a secret. It's up to Melody and her best friend, Nick, to piece together the clues and discover why Honey is being hidden. Meanwhile, a dog named Mo is new to Royal. He doesn't remember much from when he was a puppy . . . but he keeps having dreams of a girl he is bound to meet someday. This girl, he's sure, will change everything. In HONEY, Sarah Weeks introduces two characters -- one a girl, one a dog-- who are reaching back further than their memories in order to figure out where they came from and where they're going. It's a total treat from beginning to end.

From the author of So B. It, a super charming middle-grade Napoleon Dynamite with heart - the tale of a very average boy who's put in his school's spotlight when his averageness appeals to a TV show. Oggie Cooder has a talent -- he can charve better than anyone else in Truman Elementary School. (Charving, for the uninitiated, is the carving of a piece of cheese with one's teeth.) Oggie doesn't think this is anything special -- but his whole school will soon be disagreeing with him. Because after he inadvertently charves during a nationwide hunt for unusual talents, his charving puts him on the path to fame and fortune. Suddenly, he's the star of the school . . . but he's not sure that he wants to shine that way. This is Sarah Weeks at her best -- funny, clever, and kid-friendly.

A sassy, delicious picture-book gem from award-winning author Sarah Weeks and Caldecott Medal winner David Small. Glamourpuss has it all. She has style. She has charm. And she knows how to strike a pose. Glamourpuss loves being the center of attention. So when an unwelcome guest (a dog, no less!) steals the spotlight with some tasteless bow-wowing and undignified tail-wagging, Glamourpuss worries that she's going to fall out of fashion. Is there room for only one superstar in this mansion? When Glamourpuss makes her most majestic move to find out, the result is pure purrfection. Author Bio Sarah Weeks is the award-winning author of numerous picture books, including the Mrs. McNosh series, WOOF: A LOVE STORY, and SOPHIE PETERMAN TELLS THE TRUTH! She is also the author of many acclaimed novels, including PIE, HONEY, and SO B. IT. She lives in New York. David Small is the illustrator of many award-winning books, including The Library, the Caldecott Medal winner So You Want to Be President?, and the Caldecott Honor books The Gardener and One Cool Friend. He lives in Michigan with his wife, the writer Sarah Stewart, and an outdoor cat named Mabel.

Oggie Cooder returns. . .this time showing what a party animal he can be (birthday party animal, that is)! Oggie Cooder has never set foot (or swim fin) in his neighbor Donnica Perfecto's swimming pool. But now he has his chance - it's Donnica's birthday, and her mom has forced her to invite Oggie to the pool party! Donnica, though, isn't about to let this happen. She has a plan to keep Oggie away. But what she doesn't count on is the power of Oggie's charving, an unexpected visit from a local rock band, a creative use of a cherry picker, a dog that tweets like a bird, and a boy in a bear suit whose identity will change everything when it's revealed.

A vibrant new voice . . . a modern classic. For generations, the Beaumont family has harbored a magical secret. They each possess a "savvy"--a special supernatural power that strikes when they turn thirteen. Grandpa Bomba moves mountains, her older brothers create hurricanes and spark electricity . . . and now it's the eve of Mibs's big day. As if waiting weren't hard enough, the family gets scary news two days before Mibs's birthday: Poppa has been in a terrible accident. Mibs develops the singular mission to get to the hospital and prove that her new power can save her dad. So she sneaks onto a salesman's bus . . . only to find the bus heading in the opposite direction. Suddenly Mibs finds herself on an unforgettable odyssey that will force her to make sense of growing up--and of other people, who might also have a few secrets hidden just beneath the skin.

The amazing New York Times bestseller about what you can do when life gives you a second chance.
