Slowly Lilliana finds revival and friendship in No Creek—with precocious eleven-year-old Celia Percy, with kindhearted Reverend Jesse Willard, and with Ruby Lynne Wishon, a young woman whose secrets could destroy both them and the town. When the plans for the library also incite the wrath of the Klan, the dangers of Lilliana's past and present threaten to topple her before she's learned to stand. With war brewing for the nation and for her newfound community, Lilliana must overcome a hard truth voiced by her young friend Celia: Wishing comes easy. Change don't.

Christy Award Winner! For fans of bestselling World War II fiction like Sarah's Key and The Nightingale comes an illuminating tale of courage, sacrifice, and survival, about two couples whose lives are ravaged by Hitler's mad war yet eventually redeemed through the fate of one little girl. Seemingly overnight, the German blitzkrieg of Warsaw in 1939 turns its streets to a war zone and shatters the life of each citizen—Polish, Jewish, or otherwise. Sophie Kumiega, a British bride working in the city's library, awaits news of her husband, Janek, recently deployed with the Polish Air Force. Though Sophie is determined that she and the baby in her womb will stay safe, the days ahead will draw her into the plight of those around her, compelling her to help, whatever the danger. Rosa and Itzhak Dunovich never imagined they would welcome their longed-for first child in the Jewish ghetto, or that they would let anything tear their family apart. But as daily atrocities intensify, Rosa soon faces a terrifying reality: to save their daughter's life, she must send her into hiding. Her only hope of finding her after the war—if any of them survive—is a medallion she cuts in half and places around her neck. For American Claire Stewart, joining the French Resistance sounded as romantic as the storylines she hopes will one day grace the novels she wants to write. But when she finds herself stranded on English shores, with five French Jewish children she smuggled across the channel before Nazis stormed Paris, reality feels more akin to fear. With nowhere to go, Claire throws herself on the mercy of an estranged aunt, begging Lady Miranda Langford to take the children into her magnificent estate. Heavily weighted with grief of her own, Miranda reluctantly agrees . . . if Claire will stay to help. Though desperate to return to France and the man she loves, Claire has few options. But her tumultuous upbringing—spent in the refuge of novels with fictional friends—has ill-prepared her for the daily dramas of raising children, or for the way David Campbell, a fellow American boarder, challenges her notions of love. Nor could she foresee how the tentacles of war will invade their quiet haven, threatening all who have come to call Bluebell Wood home and risking the only family she's ever known. Set in England's lush and storied Lake District in the early days of World War II, and featuring cameos from beloved literary icons Beatrix Potter and C. S. Lewis, *Until We Find Home* is an unforgettable portrait of life on the British home front, challenging us to remember that bravery and family come in many forms.

A courageous young noblewoman risks her life to hide French resistance fighters; seventy years later, her granddaughter visits the family's abandoned chateau and uncovers shocking secrets from the past. Gisèle Duchant guards a secret that could cost her life. Tunnels snake through the hill under her family's medieval chateau in Normandy. Now, with Hitler's army bearing down, her brother and several friends are hiding in the tunnels, resisting the German occupation of France. But when German soldiers take over the family's château, Gisèle is forced to host them as well—while harboring the resistance fighters right below their feet. Taking in a Jewish friend's baby, she convinces the Nazis that it is her child, ultimately risking everything for the future of the child. When the German officers begin to suspect her deception, an unlikely hero rescues both her and the child. A present day story weaves through the past one as Chloe Sauver, Gisèle's granddaughter, arrives in Normandy. After calling off her engagement with a political candidate, Chloe pays a visit to the chateau to escape publicity and work with a documentary filmmaker, Riley, who has uncovered a fascinating story about Jews serving in Hitler's army. Riley wants to research Chloe's family history and the lives that were saved in the tunnels under their house in Normandy. Chloe is floored—her family isn't Jewish, for one thing, and she doesn't know anything about tunnels or the history of the house. But as she begins to explore the dark and winding passageways beneath the chateau, nothing can prepare her for the shock of what she and Riley discover... With emotion and intrigue, Melanie Dobson brings World War II France to life in this beautiful novel about war, family, sacrifice, and the secrets of the past.
