My ratings. As you can see, the vast majority of my rankings are "Good." I see it this way, I LIKE anime, so by that virtue most of it is good and I get pleasure out of it. Everything good and ...

Drow ranger Drizzt Do'Urden, first introduced in The Icewind Dale Trilogy, quickly became one of the fantasy genre's standout characters. But Homeland first reveals the startling tale of how this one lone drow walked out of the shadowy depths of the Underdark, leaving behind a society of evil and a family who want him dead. It is here that the story of this amazing dark elf truly began.

Contains four fantasy adventures with Drizzt Do'Urden and his allies who fight the Spider Queen Lolth and her followers in their defense against darkness.

Now in paperback, the third installment in the classic tales of the Legend of Drizzt. When a lone drow emerges from the Underdark into the blinding light of day, the Forgotten Realms

world will be changed forever. From the Paperback edition.

Travel back to strange and exotic Menzoberranzan, the vast city of the drow and homeland to Icewind Dale hero Drizzt Do'Urden. The young prince of a royal house, Drizzt grows to maturity in the vile world of his dark kin. Possessing honor beyond the scope of his unprincipled society, young Drizzt faces an inevitable dilemma. Can he live in a world that rejects integrity?

Drizzt Do'Urden has been exiled from his country and forced to wander the tunnel-mazes of the Underdark, which are haunted by the evil dark elves.

The extraordinary beginning of an epic series brimming with the unbridled action, adventure, and imagination that have made the name R. A. Salvatore synonymous with the best in fantasy! Jeff "Del" DelGuidice was proud of his assignment to the research submarine The Unicorn. But his mission had barely begun when the vessel was sucked into a mysterious underseas void where time stood still, before propelling it forward, through the centuries. The crew surfaced in a strange, magical world changed forever by nuclear holocaust. Here a race of angelic beings had taken pity on the remnants of humankind, offering a chosen few a precious second chance. Thus the Isle of Hope was raised from the poisoned seas and set like a jewel in Earth's ravaged crown. But the jewel had a flaw, a dark vein of evil. For a sinister expert of the mystical arts had embraced the forbidden third magic, the most deadly sorcery of all. Only Del could defeat it--a hero sworn to peace and fated to wield the dazzling power of the fourth magic. . .

Omnibus Volume 1 delivers the first three graphic novel adaptations of R.A. Salvatore's beloved Dark Elf Trilogy - Homeland, Exile, and Sojourn - into one tome! This story takes readers from the moments before the birth of Drizzt to the point where he leaves his Drow heritage and homeland, Menzoberranzan, the City of Spiders, and ventures up into the unknown.

R.A. Salvatore, best-selling author of the Legend of Drizzt, unveils the backstory of the Witch King—the lich whose powerful magic ensnares Jarlaxle and Artemis Entreri in the Sellswords trilogy. As part of his scheme to rule the Bloodstone Lands, Zhengyi the Witch King offers a black dragon life immortal in exchange for allegiance. But black dragons cannot be so easily bought. Unwilling to take no for an answer, Zhengyi hatches a plan to force the dragon into battle—with battle lines drawn inside the dragon's own lair. In this action-packed novella, Legend of Drizzt fans can find out more about the events leading up to Promise of the Witch King (Sellswords Trilogy, Book II) and new fans can find out why Booklist calls Salvatore the “best series writer working in the Forgotten Realms.”
