"Ghost in the Shell" was one of the first Anime' films to skillfully blend traditional drawn animation with computerized imagery. This helps to give the film a surreal, yet beautiful look. And the dialogue helps sometimes too, with helping to sort out the confusing plot and many of its mythical ideas about personal identity and human evolution.

Usually, such a term, separating it from the Shell, was meaningless. One was their Ghost in their Shell. Separation could not exist. That is no longer the case. One now can exist without a shell. And Shells can exist without Ghosts. The Shell refers to the body, organic or inorganic. One can even transfer a ghost from one Shell to another.

Ghost in the Shell Anime 2029: A female cybernetic government agent, Major Motoko Kusanagi, and the Internal Bureau of Investigations are hot on the trail of "The Puppet Master,; a mysterious and threatening computer virus capable of infiltrating human hosts.

NEW HARDCOVER DELUXE EDITION! Now a major motion picture! * Definitive new edition supervised by creator Shirow Masamune * In the original, right-to-left format with Japanese sound effects for the first time! * Brand new bonus content * Released simultaneously with deluxe editions of The Ghost in the Shell 1.5 and 2 Deep into the twenty-first century, the line between man and machine has been blurred as humans rely on the enhancement of mechanical implants and robots are upgraded with human tissue. In this rapidly converging landscape, cyborg superagent Major Motoko Kusanagi is charged to track down the craftiest and most dangerous terrorists and cybercriminals, including "ghost hackers" who are capable of exploiting the human/machine interface and reprogramming humans to become puppets to carry out the hackers' criminal ends.

This historic collaboration with legendary creator Shirow Masamune based on the classic manga features four all-new stories in a beautiful full-color 160-page hardcover, by some of the world's most innovative comics writers and artists, plus a cover by the acclaimed Dustin Nguyen (Descender) and pinup illustration by Becky Cloonan. A covert mission in Shanghai reunites Kusanagi with a wartime rival amid shifting loyalties. The infiltration of an anti-cyberization cult calls for Section 9's most "human" members to do things the old-fashioned way. A deep dive into the mind of a criminal forces Kusanagi to question the nature of imagination - and her own identity. The stories in Global Neural Network bring a 21st-century perspective to its questions of human identity and the border between mind and machine that made The Ghost in the Shell one of the most revered manga of all time, and unleash top Western comics artists on eye-popping action scenes starring Kusanagi, Batou, Togusa, Aramaki, and all the members of Section 9! Original stories by: * Alex de Campi (Twisted Romance) & Giannis Milonogiannis (Prophet) * Brenden Fletcher (Gotham Academy, Motor Crush) & LRNZ (Golem) * Genevieve Valentine (Mechanique, Icon), & Brent Schoonover (The Astonishing Ant-Man) * Max Gladstone (the Craft Sequence) & David López (All-New Wolverine)

This brand-new chapter fills in the gaps between The Ghost in the Shell: Human-Error Processor and Man-Machine Interface manga with a tense cyberpunk thriller written by Ghost in the Shell: Stand Alone Complex script writer Junichi Fujisaku. Just in time for the release of the new Ghost in the Shell: SAC_2045 anime on Netflix! Hackers attempt to assassinate a politician during a speech preaching the advantages of cybernetic prosthetics. Fortunately, Togusa is there to whisk her to safety, and the investigation leads Batou to a suspicious factory in the artificial islands in southern Japan. Meanwhile, Chief Aramaki hears of a disturbing discovery at the other end of the country: dozens of artificial bodies, illegally dumped near a village where an anti-cyberization sect conducts their training and "rites." Among the empty shells is one formerly inhabited by the woman who embodied Section 9 until she left it behind and disappeared: Major Motoko Kusanagi...

The original manga that became a legendary anime franchise, now in a complete collector's box set. Includes three large-sized hardcover volumes, plus a collectible lithograph by creator Shirow Masamune. Deep into the twenty-first century, the line between man and machine has been blurred as humans rely on the enhancement of mechanical implants and robots are upgraded with human tissue. In this rapidly converging landscape, cyborg superagent Major Motoko Kusanagi is charged to track down the craftiest and most dangerous terrorists and cybercriminals, including "ghost hackers" who are capable of exploiting the human/machine interface and reprogramming humans to become puppets to carry out the hackers' criminal ends.

IDENTIFYING THE ENIGMATIC HERO In this volume of Ghost in the Shell, Marcelo Jarty, the hero of a democratic revolution, and South American drug dealer, has been coming to Japan periodically and no one knows why. The Major and Section 9 track his movements after he makes his latest appearance in the country. They are determined to figure out the meaning of his visits, but following Jarti leads to more than they could have possibly expected....

Neither a utopia nor a dystopia, it's still a world of nations at strife, as dominated by corporations as ever. Technology hasn't made humans nearly obsolete, but rather bettered us, if you will, attaching to our bodies and even brains as enhancements—for those who can afford it. Comics artist Shirow Masamune's vision of our coming society, animated to global acclaim and finally the basis of a major Hollywood production, branches out in five original stories by some of the most beloved SF novelists working in Japan today. A standalone collection, it requires no familiarity with the franchise to be enjoyed but is indispensable for fans for its thoughtful exploration of the series' implications. While reality may never become virtual, it will be increasingly networked and augmented. Navigate herein age-old questions about man that will return, not so ironically, in full force: What is the self? Is there such a thing as the soul?
