Acces PDF The Mixed Up

The Mixed-Up

Chameleon

written by Eric

Carle is a book

about a

chameleon that

wants to change

more than just

its colors. The

chameleon's life

was not very

exciting until

he visited a zoo

and wanted to

Acces PDF The Mixed Up

change himself.

The chameleon
changes shapes
like becoming
handsome like a
flamingo or
smart like a fox
and so on.

The Mixed-Up
Chameleon, 1975
- Eric Carle
The Mixed-Up
Chameleon is a
book about
realizing that
happiness is not
found by trying

Acces PDF The Mixed Up

to be something
we are not. I
liked this book
for three

reasons. First,
the
illustrations
are closely tied
to the text and
focus on the
changes the
chameleon goes
through by
eliminating the

Acces PDF The Mixed Up

background when
he is making his
wishes to be
like other
animals.
