Thomas Hobbes Social Contract Theory Explained - HRF

The condition in which people give up some individual liberty in exchange for some common security is the Social Contract. Hobbes defines contract as "the mutual transferring of right." In the state of nature, everyone has the right to everything - there are no limits to the right of natural liberty. The social contract is the agreement by which individuals mutually transfer their natural right.

Hobbes (1588 – 1679). According to Hobbes, the lives of individuals in the state of nature were "solitary, poor, nasty, brutish and short", a state in which self-interest and the absence of rights and contracts prevented the "social", or society. Life was "anarchic" (without leadership or the concept of sovereignty).

Social contract - Wikipedia

Social contract, in political philosophy, an actual or hypothetical compact, or agreement, between the ruled and their rulers, defining the rights and duties of each.
