John Grisham may well be America's best storyteller. Sure, his novels lack the complexity that make English professors salivate, but, for the rest of us, Grisham tackles the issues that cut to the core of present day America. The Testment is a story of avarice, decadence and ambition.

**#1 NEW YORK TIMES BESTSELLER** In a plush Virginia office, a rich, angry old man is furiously rewriting his will. A Time to kill: "There are crimes of race and creed and colour. And so when the people outside of Clanton hear that a black man has killed two whites who raped his ten-year-old daughter, the town is filled with an angry mob determined to tear down, burn and destroy anything and everyone that opposes them."

Embarking on a rafting and hiking tour through southern Mexico, single mom Eve spots a menacing man throwing machetes at a human-shaped target before finding a missing woman's digital camera containing images of the same man. By the best-selling author of *Tell No Lies*.

The author of such best-selling legal thrillers as *A Time to Kill*, *The Last Juror*, and *The Brethren* presents his latest novel of courtroom and legal suspense as he offers a provocative look at the price of American justice in the story of a ruthless Wall Street tycoon out to rig a state supreme court to get the result he wants during an appeal. "By the founder of the first organization in the US committed to freeing the wrongly imprisoned, a riveting story of devotion, sacrifice, and vindication Jim McCloskey was at a midlife crossroads when he met the man who would transform his life. A former management consultant, McCloskey had grown disenchanted with the business world; he enrolled at Princeton Theological Seminary at the age of 37. His first assignment found him a chaplain at Trenton State Prison in 1980, where he ministered to some of the most violent offenders in the state. Among them was Jorge de los Santos, a heroin addict who'd been convicted of murder years earlier. De los Santos swore to McCloskey that he was innocent--and over time, McCloskey came to believe him. With no legal or investigative training to speak of, McCloskey threw himself into the man's case. Two years later, he successfully effected his exoneration. McCloskey found his calling. He would go on to establish Centurion Ministries, the first group in America devoted to overturning wrongful convictions. Together with a team of forensic experts, lawyers, and volunteers--through tireless investigation and an unflinching dedication to justice--Centurion has freed 63 prisoners and counting. *When Truth Is All You Have* is McCloskey's inspirational story as well as those of the unjustly imprisoned for whom he has advocated. Spanning the nation, it is a chronicle of faith and doubt; of triumphant success and shattering failure. It candidly exposes a life of searching and struggle, uplifted by McCloskey's certainty that he had found what he was put on earth to do. Filled with generosity, humor, and compassion, it is the account of a man who has redeemed innumerable lives--and incited a movement--with nothing more than his unshakeable belief in the truth"--

The murder of a glamorous DC socialite becomes Alex Cross ' s deadliest case since *Along Came a Spider*. Kay Willingham led a life as glamorous as it was public—she was a gorgeous Georgetown socialite, philanthropist, and the ex-wife of the vice president. So why was she parked in a Bentley convertible idling behind a DC private school, in the middle of the night, with the man who was the head of that school? Who shot them both, point blank, and why? The shocking double homicide is blazed across the internet, TV, newspapers—and across Alex Cross's mind. Kay had been his patient once. And maybe more. While John Sampson of DC Metro Police investigates the last movements of Christopher Randall, the educator killed along with Kay Willingham, detective Alex Cross and FBI special agent Ned Mahoney find unanswered questions from Willingham's past, before she arrived in DC and became known in DC society as someone who could make things happen. They travel to Alabama to investigate Kay's early years. There they find a world of trouble, corruption, and secrets, all of them closed to outsiders like Cross and Mahoney. Kay had many enemies, but all of them seemed to need her alive. The harder the investigators push, the more resistance they find when they leave behind the polite law offices and doctors' quarters of the state capital. Alex Cross will need to use all his skills as a doctor, a detective, and a family man to prevent that resistance from turning lethal . . . again.

Eventually, after he has settled into his new life, the CIA will leak his whereabouts to the Israelis, the Russians, the Chinese, and the Saudis. #1 NEW YORK TIMES BESTSELLER Rick Dockery is the third-string quarterback for the Cleveland Browns. In the AFC Championship game, to the surprise and dismay of virtually everyone, Rick actually gets into the game. With a seventeen-point lead and just minutes to go, Rick provides what is arguably the worst single performance in the history of the NFL. Overnight, he becomes a national laughingstock—and is immediately cut by the Browns and shunned by all other teams. But all Rick knows is football, and he insists that his agent find a team that needs him. Against enormous odds, Rick finally gets a job—as the starting quarterback for the Mighty Panthers . . . of Parma, Italy. The Parma Panthers desperately want a former NFL player—any former NFL player—at their helm. And now they ' ve got Rick, who knows nothing about Parma (not even where it is) and doesn ' t speak a word of Italian. To say that Italy—the land of fine wines, extremely small cars, and football americano—holds a few surprises for Rick Dockery would be something of an understatement.
