Refers to New Testament teachings while delineating the nature of early Christian worship of God. Bibliogs

- This book is printed in a 16 pt. large font for easier reading. The History of the Church of Jesus Christ of Latter-day Saints is also the history of the opening and progress of the Dispensation of the fullness of Times; and as that dispensation bears an important relation to all dispensations which have preceded it, let us here ascertain in what that relation consists. By doing so we shall have a better appreciation of the full import of those events which make up the history of the Church. In publishing the History of the Church of Jesus Christ of Latter-day Saints, it is felt that a solemn duty is being performed to the Saints and to the world. The events which make up the history of the Church in this age are the most important that history can chronicle. It is due therefore both to the Saints themselves and to the world that a faithful and complete history of the facts in which the Church of Jesus Christ of Latter-day Saints had its origin, together with the events through which it was subsequently developed, and all the circumstances, experiences and trials through which it passed be made known to mankind. Elder B. H. Roberts consulted diaries, printed sources, and remembrances of Church members to prepare a history of the Church that centered mainly on the life of Joseph Smith. Before it was published, Elder Anthon H. Lund and President Joseph F. Smith read and approved the work. The resulting seven volumes, over forty-five hundred pages, known as the History of the Church has since become a great resource to Church members and historians alike.

Christian History Time Line shows 2,000 years of church history at a glance. Includes brief explanations of more than 200 key people and events that all Christians should know. Special emphasis on world missions, the expansion of Christianity, and Bible translation into other languages. Pamphlet has 14 panels and fits inside a Bible cover 8.5" x 5.5". Pamphlet unfolds to 38 inches long.

With colour illustrations, pictures, and pull-out timelines, this history book brings the whole Bible to life! From Genesis to Revelation, from the beginning of time to the early church, from the first promise of a Saviour to the promise that one day that Saviour will return - this book spans all of time. Find out about how the God of all time spoke to his people and still speaks today through his Word.

Access Free Timeline Of Church History

A few weeks after Easter AD 33, the entire church fit in one upstairs room. In just decades, it exploded into a worldwide movement. What happened? Follow the action with this collection of the highs and lows of the people of God. Its twenty informative and fast-paced chapters are arranged by centuries. Each one begins with a summary of the most important statistics and influential Christians at that time. In the rest of each chapter, you'll find concise notes about the history of Christianity, including its... practices and beliefs denominations and movements institutions and traditions evangelism and persecution literature, art, and architecture You can also use the helpful index to read topically rather than chronologically. This new version of the late fourth-century diary of journeys in and around the Holy Land known as the Itinerarium Egeriae provides a more literal translation of the Latin text than earlier English renderings, with the aim of revealing more of the female traveler ' s personality. The substantial introduction to the book covers both early pilgrimage as a whole, especially travel by women, and the many liturgical rites of Jerusalem that Egeria describes. Both this and the verse-by-verse commentary alongside the translated text draw on the most recent scholarship, making this essential reading for pilgrims, students, and scholars seeking insight into life and piety during one of Christianity ' s most formative periods.
