We started EXOS in the late '90s with the belief that human performance is for all of us. We felt strongly about this but weren't yet sure how to impact the most people. Rather than confining ourselves to established industries such as health care, corporate wellness, and sports performance, we're interested in putting people in the best ...

About EXOS: Our Mission, History, and Partnerships

EXOS, formerly named Athletes' Performance, is an American Limited Liability Company founded in 1999. In 2014, EXOS acquired Medifit Corporate Services, which staffs corporate wellness centers nationwide. The brand names Athletes' Performance and the subsidiary Core Performance were integrated into the brand name EXOS as well. The company focuses on proactive health and performance for elite athletes, the military and businesses. Founded by Mark Verstegen in 1999 and based in Phoenix, Arizona, i

EXOS - Wikipedia

If you do not have access to a CSCS with extensive squash experience, a smart alternative is to subscribe to the Exos (formerly Core Performance website) and either a) use their squash or tennis programs; or b) follow their template and select from amongst their bank of exercises when you use fitness builder. Eighty per cent of the exercises I use with my team are the same or highly similar to Exos exercises (I like to think my programs are a little better than theirs due to my 40 years of ...
