Violence: Reflections On Our Deadliest Epidemic. 'James Gilligan has written a stunning book about violence. As a psychiatrist who has spent twenty-five years of his professional life treating men who committed murder, Gilligan draws poignantly on his work with prisoners to help us understand what motivates desperate men.

foundation for a complete re-thinking of the nature and meaning of violence in society. He reveals the motives of men who commit horrifying crimes, men who not only kill other people, but also destroy themselves rather than suffer shame and loss of self-respect. He focuses on how feelings of shame cause violent and vengeful behaviour, and argues that conventional punitive legal and penal systems which are based on notions of justice and retribution ...
