World Civilizations will explore the world regionally by examining the geography, history, culture, politics, government, economy, religion and traditions of each area. We'll examine the most recent period in human history, beginning with the invention of farming about 12,000 years ago, when humans formed the "urban civilizations" that developed into the world we know today.

[World Civilizations and Cultures Summer Assignment](#)

World Civilizations and Cultures will focus on five major regions of the world: Europe, Africa, the Middle East, Asia, and Latin America. Using regional and global approaches, emphasis will be placed on understanding the geographical, historical, cultural, political, environmental, and economic aspects of these regions.
