In grade school, she always had her nose in a book. In junior high, the other kids thought she was weird, because she actually liked reading those dusty old novels in literature class. All through high school, Goldilocks dreamed of writing a book of her own

someday. But when she went to college, her parents persuaded her to study something practical. Goldilocks hated practical, and secretly she kept reading novels. But she was a very obedient girl, so she did what her parents told her. She got a very practical degree in marketing. After college, she got a job that bored her to tears—but at least it was practical. Then she got married, and within a few years, she had two children, a girl and then a boy. She quit her job to devote full time to them. As the children grew, Goldilocks took great joy in introducing them to the stories she had loved as a child. When her son went off to kindergarten, Goldilocks thought about looking for a job. But her resume now had a seven-year hole in it, and her practical skills were long out of date. The only jobs Goldilocks could qualify for were minimum wage. She suddenly realized that being practical had made her horribly unhappy. On a whim, Goldilocks decided to do the one thing she had always wanted more than anything else—she was finally going to write a novel. She didn't care if it was impractical. She didn't care if nobody would ever read her novel. She was going to do it just because she wanted to. For the first time in years, she was going to do something just for herself. And nobody was going to stop her.

The feel-good book of the year: a delightful novel of friendship, community, and the way small acts of kindness can change your life, by the bestselling author of *The Story of Arthur Truluv* Lucille Howard is getting on in years, but she stays busy. Thanks to the inspiration of her dearly departed friend Arthur Truluv, she has begun to teach baking classes, sharing the secrets to her delicious classic Southern yellow cake, the perfect pinwheel cookies, and other sweet essentials. Her classes have become so popular that she's hired Iris, a new resident of Mason, Missouri, as an assistant. Iris doesn't know how to bake but she needs to keep her mind off a big decision she sorely regrets. When a new family moves in next door and tragedy strikes, Lucille begins to look out for Lincoln, their son. Lincoln's parents aren't the only ones in town facing hard choices and uncertain futures. In these difficult times, the residents of Mason come together and find the true power of community—just when they need it the most. "Elizabeth Berg's characters jump right off the page and into your heart" said Fannie Flagg about *The Story of Arthur Truluv*. The same could be said about *Night of Miracles*, a heartwarming novel that reminds us that the people we come to love are often the ones we don't expect. Praise for *Night of Miracles* "Happy, sad, sweet and slyly funny, [*Night of Miracles*] celebrates the nourishing comfort of community and provides a delightfully original take on the cycles of life." *People* (Book of the Week) "Find refuge in Mason, a place blessedly free of the political chaos we now know as "real life." In Berg's charming but far from shallow alternative reality, the focus is on the things that make life worth living: the human connections that light the way through the dark of aging, bereavement, illness and our own mistakes. . . . As the endearing, odd-lot characters of Mason, Missouri, coalesce into new families, dessert is served: a plateful of chocolate-and-vanilla pinwheel cookies for the soul." *USA Today* "Full of empathy and charm, every chapter infuses the heart with a renewed sense of hope." *Woman's World*
