SELOC Marine tune-up and repair manuals provide the most comprehensive, authoritative information available for outboard, inboard and stern-drive engines, as well as personal watercraft. SELOC has been the leading source of how-to information for the marine industry since 1974. Designed and written to serve the needs of the professional mechanic, do-it-yourself boat enthusiast, instructor and student, these manuals are based on actual teardowns done by Seloc's editors/authors in our on-site facility. Every manual features: -Easy-to-follow, step-by-step, illustrated procedures -Hundreds of exploded drawings, photographs and tables -Troubleshooting sections -Accurate specifications and wiring diagrams Covers all engines and drive units, including transmissions. Includes carbureted and fuel injected engines. Over 1,000 illustrations.

This absorbing book is a systematic analysis of the litigation in Brown v. Mississippi, in which the Supreme Court made a pathbreaking decision in 1936 showing the unconstitutionality of coerced confessions. The case exonerated Ed Brown, Henry Shields, and Arthur (Yank) Ellington, three black sharecroppers who had confessed under torture to the murder of a white planter. This case, similar to the notorious Scottsboro case in Alabama, paved the way for the controversial MIRANDA decision thirty years later. This book presents a dramatic story of both tragedy and triumph, one in which human nature is revealed at its best and at its worst, with courage, decency, and self-sacrifice contrasting sharply with bigotry, brutality, and indifference. Ultimately, however, A Scottsboro Case in Mississippi is an account of how the Supreme Court came to make a precedent-setting decision enhancing the protection of liberty under the Constitution.

SELOC Marine maintenance and repair manuals offer the most comprehensive, authoritative information available for outboard, inboard, stern-drive and diesel engines, as well as personal watercraft. SELOC has been the leading source of how-to information for the marine industry since 1974.
