And she certainly isn't  
used to being engaged.  
Thanks to all the

she consumed last night, Elle has no idea how she's managed to get herself into this situation. And as fond as she is of the man lying next to her, and no matter how happy he looks by this turn of events, getting married has never been part of Elle's plan. No way. All that romance stuff just isn't for her . . . right?

# File Type PDF You Had Me At

But the combination of this lovely man, the incredibly romantic Italian countryside and the feel of the early morning sun on her skin is starting to have an effect on Elle.
